

EMERGENCY MANAGEMENT

SPECIALIST CERTIFICATE

California Governor's Office of Emergency Services California Specialized Training Institute

In recognition of the completion of our Capstone Emergency Management courses, Cal OES/CSTI offers an Emergency Management Specialists Certificate. The content in these courses focuses on the phases of emergency management and leads to the overall readiness for disasters in the State of California.

Emergency Management Specialist Certificate a total of 7 courses

<u>Required Courses:</u>	<u>Hours</u>
Disaster Mitigation (G393)	20
Disaster Planning (G235)	24
Disaster Recovery (G270.4)	20
Essentials of Emergency Management: Earthquake or Jurisdiction Specific	40

Elective Courses:

You must have a minimum of 3 courses totaling 72 hours of electives to include:

Any CSTI/CalOES Certificates
ICS 100-400 (CSTI, FEMA, or State Fire Marshal)

Credit for Past Training:

Former Cal OES/CSTI course graduates may receive credit towards specialist certificates for previously attended Cal OES/CSTI courses. Verification of Cal OES/CSTI course completion certificate or transcript is required in order to receive credit for past training.

Application Process: For information on the application process, please contact the Specialist Certificate Coordinator at (805) 549-3190, or email specrequest@caloes.ca.gov.

Need more Information: For more information about all of Cal OES/CSTI courses and training and exercise services, please call our main line at (805) 549-3535 or visit our website at <http://www.caloes.ca.gov/CSTI>.

FEMA Dual Certification: Upon completion of designated CSTI courses, participants may also meet the requirements for various courses offered in the Federal [Emergency Management Agency's \(FEMA\) Advanced Professional Series \(APS\)](#).
