After submitting a transfer request:
Send an e-mail to your 1033 Specialist indicating you requested a transfer and list the property number.
Contact the RECEIVING AGENCY and ask them to go on FEPMIS after 7 days to accept the transfer (the transfer request has to be approved by the State Coordinator's office and by LESO thus the 7 days wait).
Once the transfer is accepted by the receiving agency, the equipment can be physically transferred (the equipment is not to be transferred beforehand).
Always review your inventory after requesting a transaction to ensure it's updated.
