What are the CA Emergency Functions?

1. Transportation
2. Communications
3. **Construction & Engineering**
4. Urban Search Rescue
5. Management
6. Care and Shelter
7. **Resources**
8. Public Health & Medical
10. Hazardous Materials
11. Food & Agriculture
12. Utilities
13. Law Enforcement and Evacuation
14. Long-Term Recovery
15. Public Information
17. Volunteer & Donations Management
18. Cyber Security

EF Organization

EF Development Process

EF 3 & EF 7
Phase 1

- ✓ Authorities
- ✓ Critical Activities
- ✓ Governance Structure
- ✓ Concept of Operations
- ✓ Work Plan
- ✓ Final Annex

EF 3 & EF 7
Phase 2

- ✓ Gaps & Needed Agreements
- ✓ Procedures & Systems
- ✓ Communication Protocols
- ✓ Identify Resources
- ✓ Preliminary Resource Directory
- ✓ Modify Annex

EF 3 & EF 7
Phase 3

- Maintain Momentum
- Expand Stakeholders
- Revise Governance Processes
- Create Agreements

What is EF 3 Construction and Engineering?

EF 3 Construction and Engineering

Construction and Engineering Technical Advice and Evaluation

- Engineering Services
- Construction Management and Contracting
- Real Estate Services

Assessments of Buildings and Infrastructure

- Damage Assessments
- Safety Assessments

Infrastructure Restoration

- Temporary Power
- Temporary Potable Water and Ice Generating Systems
- Emergency Repair Water / Wastewater Treatment Facilities

Debris Management

- Debris Removal and Disposal
- Management of contaminated Debris

Who are the EF 3 State Stakeholders?

- **Business, Transportation and Housing Agency**
 - Cal Trans
 - California Highway Patrol
 - Department of Housing and Community Development
 - Housing Finance Agency
 - Office of Real Estate Appraisers
- **Environmental Protection Agency**
 - Department of Toxic Substances Control
 - Water Resources Control Board
- **Health and Human Services Agency**
 - California Department of Public Health
 - Emergency Medical Services Authority
 - Office of Statewide Health Planning and Development
- **Labor Workforce and Development Agency**
 - Department of Industrial Relations
- **California Emergency Management Agency**
- **Governor's Office of Planning and Research**
- **Natural Resources Agency**
 - California Conservation Corps
 - Cal Recycle
 - CAL FIRE
 - California Coastal Commission
 - Department of Boating and Waterways
 - Department of Conservation
 - Department of Fish and Game
 - Department of Parks and Recreation
 - Department of Water Resources
 - San Francisco Bay Conservation and Development Commission
- **California Government Operations Agency**
 - Department of General Services
 - California Board for Professional Engineers and Land Surveyors
 - Contractors State License Board
 - California Architects Board
- **Seismic Safety Commission**
- **Department of Corrections and Rehabilitation**
- **California Volunteers**
- **Public Utilities Commission**

EF 3 Working Groups

- *EF 3 Capability Working Group*
 - Develop EF 3 specific capability directory, which captures the personnel and equipment that support the emergency event
 - Coordinate capture of existing data
- *Facilities Working Group*
 - Develop process for hazard identification and rating of state facilities to support emergency response and recovery, which includes determining structural integrity of the buildings, hazards associated with the location of the facilities and any other major infrastructure components

What is EF 7 Resources?

EF 7 Resources

Critical Assets / Core Commodities

- Water
- Food
- Fuel
- Generators
- Tarps
- Others?

Emergency Acquisition

- Contracting Services
- Procurement Support
- Emergency Acquisitions
- Others?

Facilities

- State Property Inventory
- Leasing Services
- Warehousing
- Facility Space
- Others?

Who are the EF 7 State Stakeholders?

- **Business, Transportation and Housing Agency**
 - Cal Trans
 - California Highway Patrol
 - Department of Motor Vehicles
- **Environmental Protection Agency**
 - Air Resources Board
 - Integrated Waste Management Board
 - Department of Toxic Substances Control
 - Water Resources Control Board
- **Health and Human Services Agency**
 - California Department of Public Health
 - Department of Rehabilitation
 - Emergency Medical Services Authority
 - Department of Social Services
- **Labor Workforce and Development Agency**
 - Department of Industrial Relations
 - Employment Development Department
- **Natural Resources Agency**
 - California Conservation Corps
 - Department of Fish and Game
 - Department of Forestry and Fire
 - Department of Parks and Recreation
 - Department of Water Resources
- **California Government Operations Agency**
 - Department of General Services
 - Franchise Tax Board
 - Department of Consumer Affairs
- **Department of Food and Agriculture**
- **Board of Equalization**
- **California National Guard**
- **Office of the Chief Information Officer**
- **Public Utilities Commission**
- **Seismic Safety Commission**
- **Department of Corrections and Rehabilitation**
- **Department of Education**
- **Department of Justice**

EF 7 Working Groups

- *Critical Assets/Core Commodities Working Group*
 - Develop initial critical assets list, which includes food, water, fuel, generators, and other core commodities
 - Evaluate existing inventory systems & coordinate capture of existing resource data
- *Facilities Working Group*
 - Identify state owned/controlled facilities
 - Develop characteristics and uses for identified facilities during emergencies, which can be utilized for shelters, feeding, medical support, and other required needs
- *Emergency Acquisition Working Group*
 - Update the DGS Emergency Acquisition Guide
 - Revise and develop Emergency Contracting Procedures, which will streamline the processes for acquisitions made during an event and to ensure proper reconciliation with the State Controller's Office to prevent or reduce the number of items disallowed as improper emergency purchases
