The town hall meetings are subject to cancellation and agenda items are subject to removal.

Public comments will be limited to three minutes per person or organization. Those providing public comment may choose to supplement their testimony with written statements that will be made part of the official public meeting record. If the Office determines that there is not enough time to hear from all those wishing to present

FIRSTNET IN CALIFORNIA

comments, the Office will select among those wishing to testify to ensure representation of a range of viewpoints and interests.
