

OPERATIONS BULLETIN # 9

Subject: Temporary Use (Loan) and/or Reassignment of Fire Apparatus

THE FOLLOWING SUPERSEDES OPERATIONS BULLETIN NO. 9, REVISED 4/14

In keeping with the intent and purpose of a California Governor's Office of Emergency Services (Cal OES) fire apparatus, such apparatus may be used for day-to-day mutual aid emergency response, both within the assignee's area of operation and for Operational Area, Regional, and statewide mutual aid calls. This apparatus may also be reassigned, as a temporary reassignment (loan) and backup to other fire departments should the need arise. The following contributes the policies of this office pertaining to such temporary use (loan) and reassignment.

I. AUTHORIZATION – TEMPORARY USE, MUTUAL AID, TRAINING PROGRAMS

- A. Assignee – the assignee of a Cal OES apparatus may, in accordance with the terms of agreement, use a Cal OES apparatus for cover-up, standby, training, etc. However, in all cases where assignee places a Cal OES apparatus in first-line service, the appropriate Operational Area Fire Coordinator and Cal OES Region Assistant Chief shall be notified. The Operational Area Fire Coordinator shall also be notified when the fire apparatus is placed in service and out of service. Units shall always be available for mutual aid for response statewide.
- B. Mutual Aid Response
1. Local – Assignee may respond with the Cal OES apparatus to mutual aid calls on a local basis (e.g., neighboring departments) without having been dispatched by the Operational Area Dispatch Center providing this procedure is approved in the local fire plan. However, in such cases, the Operational Area Dispatch Center must be notified when a vehicle is dispatched and returned.
 2. Mutual Aid Dispatch by Operational Area Dispatch – The Operational Area Dispatch Center may, at its own discretion, dispatch any and/or all Cal OES apparatus within its respective area for mutual aid emergencies. However, in such cases, The Operational Area shall keep the Regional Fire Dispatch Center advised of such movement, including status of nature of conditions.

OPERATIONS BULLETIN # 9

- C. Training – Use of Cal OES apparatus for training by assignees is authorized and desirable. However, an apparatus should not be used exclusively by any department, for that purpose.

In the event a Cal OES apparatus is requested for training programs outside the assignee's jurisdiction, the following guidelines shall apply:

1. A Cal OES apparatus may be utilized if the assignee is willing and able to provide a qualified operator. Such participation shall be at the option of the assignee. The Operational Area Fire Coordinator and Cal OES Region Assistant Chief shall be advised of such activity.
2. If the assignee does not provide an operator, the Cal OES unit will not be released without the approval of the Chief of the Cal OES Fire and Rescue Division.

For the purpose of the Operational Area Fire Coordinator and apparatus assignees, Section II. A. of this Bulletin shall not apply to training exercises. However, the temporary reassignment procedure (IIA or B) may be utilized for training purposed, but the reassignment will require prior approval of the Cal OES Fire and Rescue Division.

II. AUTHORIZATION – TEMPORARY REASSIGNMENT OF OES APPARATUS

- A. The Operational Area Fire Coordinator may authorize and arrange for the temporary reassignment of a Cal OES apparatus from one jurisdiction to another with the approval of Cal OES Fire and Rescue Division for a period not to exceed seven days. Only Type I OES Engines may be temporarily assigned and in no case shall an OES Water Tender, Hazardous Materials Unit, Communications Support Unit, or Type III engine to be temporarily reassigned. At no time shall Cal OES equipment be loaned to a State Agency without prior approval from Cal OES. In such cases, the Operational Area Fire Coordinator shall:
1. Ensure that the recipient provides a letter to the regular assignee with copies to Sacramento headquarters stating that he assumes full responsibility for said apparatus and inventory. The recipient shall also provide insurance in accordance with the terms of the Agreement for Temporary Transfer of Vehicular Equipment to cover such apparatus during the period of assignment. Such certificate of insurance shall be forwarded to the Chief, Cal OES Fire and Rescue Division, Mather.
 2. Keep the Regional Fire Coordinator advised of such transfers.

OPERATIONS BULLETIN # 9

3. Temporary assignee shall be responsible for the response to statewide mutual aid requests under the same conditions as the regular assignee, including the same training and certification requirements.
4. The assignee shall make notification with the CAL OES Region Assistant Chief prior to the reassignment.

B. Temporary Reassignment Exceeding Seven Days

All requests for temporary reassignment of a Cal OES apparatus exceeding seven days must be submitted through channels to, and approved by, the Chief, Cal OES Fire and Rescue Division. In such cases where authorization is given, Cal OES will initiate a formal agreement for temporary transfer of vehicular equipment. **NOTE: THE TEMPORARY REASSIGNMENT OF REGULAR ASSIGNED APPARATUS WILL BE LIMITED TO A MAXIMUM OF THIRTY (30) DAYS WITHIN ANY 12-MONTH PERIOD FOR EACH DEPARTMENT. ALSO, SUCH CAL OES APPARATUS WILL BE AVAILABLE FOR RESPONSE TO STATEWIDE MUTUAL AID REQUESTS UNDER THE SAME CONDITIONS AS A REGULAR ASSIGNEE.**

C. Temporary Reassignment of Regular Assignment Apparatus Outside Operational Area

Requests for all such reassignments must be submitted through channels and approved by the Chief, Cal OES Fire and Rescue Division, at which time all personnel and agencies concerned will be consulted and advised prior to a decision being made and action taken.
